Assemblymember Delaine Eastin, Chair
Assembly Education Committee
State Capitol Room 3013
Sacramento, CA 95814

Dear Assemblymember Eastin:

The California Labor Federation, AFL-CIO, opposes SB 1264 (Hart), which would repeal the current limitations on the number of "charter schools".

The present "charter school" law has not yet been tested. Moreover, we are concerned that charter schools will be used to save money by decreasing the wages and benefits of school employees. Amendments are needed to protect the rights of school employees.

Please vote "NO" on SB 1264 unless amendments are made to protect the jobs and rights of current school employees.

Sincerely,

John F. Henning
Executive Secretary-Treasurer
