

Vanderpool notes - ~~from~~ ^{from} our disc w/ Betty Rice

Betsy - Are these public or not? Could be public if teachers own - p. 1, line 19.

What about tort liability?

open-meeting law? (if they're public)

Ember - Not just semantics. Raises legal questions that can sink the bill, need specify liability.

Betsy - Comparable worth?

Betsy - p. 2 line 26 - connection in employment policies?

Betsy + Ember - Subject to integration (exec) "law"? (They mean state board's regs.)

Betsy - p. 4 line 21 - Does this include capital to build - buy bldg?

Betsy - p. 4 line 30 - If school gets special ed. aid, does it have to comply with fed. + state requirements re special ed kids?

(Ember is very supportive of "outcomes" but it's not clear she has clear idea what this means.)

Boek - Problem on transportation re p. 5, lines 2, 3 - where will the \$ come from?

Betsy - p. 5, line 7 - What have in mind? What categories?

Boek - p. 5, line 3 - If these are public schs, why can't employees just continue retirement rights, stay in PERA thru new employer? If not, what about public employee bargaining law? Voluminous potential problems re public employment law.

Ember has problem with lack of licensed teacher requirement. maybe permit alternative licensure?

Betsy - p. ~~4~~ 4, line 6 - Does this mean exempt from 175 days + 6-hr./day requirement?
